

Plan for Mālama of 'Ohana 'Āina

- 1) What are your 'ohana goals for caring for this place? (Ex: Keep it in perpetuity, grow food for 'ohana there, all 'ohana members always feel welcome to come). Continue to develop these with all 'ohana members and come back to them each time you gather to remind you of your vision.
- 2) How and how often can you physically go to that 'āina to observe, pule, ask for kōkua, visit kūpuna, and mālama? What things are important to do when you go?
- 3) Who is the lead 'ohana member team working on this with you? How often do you meet and communicate and how?
- 4) How do you reach out and gather ALL of your 'ohana together to kukākukā about 'ohana 'āina and keep connections strong to each other and that place? (Ex: annual reunion, Sunday dinners, 'ohana Facebook page?) How often?
- 5) What resources do you have to help you? List a few helpful ones here.

6) What are the next steps you need to take to protect this ‘āina?
